Innovations' Formula for Student Success

Powerful School Staff Members

- Professional Learning Community – empowers staff members to become leaders, increase student engagement, and customize learning for all students
- Identify and share best instructional practices to impact student learning
- Recognize and celebrate student accomplishments
- Engage regularly with families

Safe Learning Environment

- Provide students with a safe learning environment that addresses physical, academic, emotional, and social needs
- Integrate school safety and crisis prevention to develop and maintain a school climate that addresses preparedness and response efforts of all involved
- Protect students from violence, exposure to threats, bullying, and illegal substances on the school's grounds
- Student and community centered learning community

Social Emotional Learning

- Develop self-awareness where students recognize and identify their feelings
- Develop self-management skills to handle emotions and behaviors that cause conflict in the classroom
- Develop social awareness to help students recognize and understand how others' feel
- Develop relationships and make positive choices

High Expectations and Self Confidence

- Show students who they are and what they are capable of doing/learning
- Use of data to set measurable goals for academic achievement
- Address student needs through a Personal Education Plan to align goal setting by the student, parents, and the teachers
- Provide tutoring and academic support for students at all K-12 grade levels
