

School Performance Plan1

School Name

Innovations International Charter School of NV HS

Address (City, State, Zip Code, Telephone):

1600 E Oakey Blvd
Las Vegas, NV 89104, (702) 216-4337

Superintendent/Assistant Chief:

Dr. Connie Malin, CEO / Dan Tafoya

For Implementation During The Following Years:

2015-2016

The Following MUST Be Completed:

Title I Status: Served

Designation: Priority School

Grade Level Served: Combined School

Classification: 2 Star

NCCAT-S: Initial

***1 and 2 Star Schools Only:** Please ensure that the following documents will be available upon request Use of Core Instructional Materials Scheduling Model School Visits

Members of Planning Team * ALL Title I schools must have a parent on their planning team that is NOT a district employee.

Name of Member	Position	Name of Member	Position
Marcus Mooney	Parent	Dr. Connie Malin	CEO
Dr. LeAnn G. Putney	Board President	Diane Mills	Teacher
Nick Didier	Teacher	Michelle Lopez	Support Staff

COMPONENT I: COMPREHENSIVE NEEDS ASSESSMENT (CNA)

DATA REVIEWED & ANALYZED:

Based on your schools NSPF results, identify what additional data have been reviewed and analyzed in development of the SPP.

School Data For General Education Including FRL	English Language Learner (ELL) Data	Special Education Data
Nevada School Performance Framework (NSPF)	Nevada School Performance Framework (NSPF)	Nevada School Performance Framework (NSPF)
Statewide Assessments	Comparison of ELPA with other Assessments	Individualized Education Programs (IEP)
Teacher/Administrator Observation Data	Time in ELL Program/Projected Time to Proficiency	Service Delivery Models
Formative Assessments Practice	Placement (Proficiency Levels)	Special Ed Staffing and Professional Development
NA	Teacher/Administrator Observation Data	Nevada Alternate Assessment (NAA)
Other:	Other:	Other:
Other:	Other:	Other:

Summary Statement: Please provide a brief description for how the analyzed data will impact your Inquiry and Action Planning process.

Analyzed data will guide the instructional process, materials selection, addition of resources, and the implementation of tutorial programs to assist children in catching up, keeping up, or moving up as measured by standardized exams. Analyzed data will assist teachers, counselors, and the administrator in making educational decisions and guiding instructional practices that impact student growth and achievement by increasing the percentage of students meeting or exceeding standards. Analyzed data will be shared with parents of students enrolled at the school by helping them to understand the critical nature of their support and partnership with the school in creating and supporting a learning environment in and out of the school day. Innovations International Charter School of Nevada is currently a two-star school based on an adjusted score within the 2013-2014 Nevada School Performance Framework. The school population consists of 15.6% of students with an Individualized Education Plan (IEP), 22.5% of students who are English Language Learners (ELL), and 63.6% of students who qualify for Free or Reduced Price Lunch (FRL). The most current statewide assessment data (2013-2014) shows a 75% reading proficiency rate for 11th grade students. This is an increase from 2013 which was 65.5% proficient. In 2014, 58.3% of 11th grade students were proficient in math which is a decrease from the previous year which was 61.3%. Gap measures show the achievement is closing for all subgroups (IEP, ELL, and FRL). The supergroup achievement gap for reading has been reduced from -18.6 to -0.8 and the gap in math has been reduced from -20.1 to -17.4 between 2013 and 2014. The overall graduation rate has increased from 29.6% (2013) to 52% (2014). The graduation gap for supergroup students has been reduced from -28.5 (2013) to -11.8 (2014). The percent of students earning college credit or passing an AP exam was 84.4%, well above the state rate of 31.27%. Attendance rates have decreased between 2013 and 2014 from 98.8% to 97.5%.

HIGH SCHOOL GRADUATION RATES

If you serve high school graduation seniors you must fill in the graduation rates for all subpopulations.

Subpopulation	Percentage of Students
<input type="checkbox"/> AM In/Ak Native	n/a
<input type="checkbox"/> Asian	n/a
<input type="checkbox"/> Black	n/a
<input type="checkbox"/> Hispanic	n/a
<input type="checkbox"/> Two or More Races	n/a
<input type="checkbox"/> Pacific Islander	n/a
<input type="checkbox"/> White	n/a
<input type="checkbox"/> FRL	n/a
<input type="checkbox"/> IEP	n/a
<input type="checkbox"/> ELL	n/a

NOTES:

Overall graduation rate is 52%. Subgroup populations are too small to report.

COMPONENT II: Inquiry Process & Action Plan Design- Priority Need/Goal 1

Based on the CNA, identify all that apply:	<input checked="" type="checkbox"/> General Education	<input checked="" type="checkbox"/> FRL	<input checked="" type="checkbox"/> ELL	<input checked="" type="checkbox"/> IEP	<input type="checkbox"/> Other
---	---	---	---	---	--------------------------------

Priority Need/Goal 1:

Increase the percentage of students proficient in reading, thus decreasing the reading proficiency gaps between the district's highest performing subgroups and lower performing ethnic/racial supergroups by 8 percent as measured by state assessments.

Root Causes:

Academic reasons were the causes for the decline in scores. In particular, these would be describing a theme based on evidence, evaluating the impact of sequential and/or chronological order, evaluating a cause-effect on events and/or relationships, and describing the main idea based on evidence. Academic reasons could be attributed to the lack of consistency in the reading instruction throughout the content areas by subject area teachers as well as extensive comprehension instruction.

Measurable Objective 1:

Increase the percentage of LEP students catching up in ELA from 0 as measured by the CRT in 2014 to 10% as measured by the state assessments.

Measurable Objective 2:

Increase the percentage of FRL students catching up in ELA from 27.0 as measured by the CRT in 2014 to 37% as measured by the state assessments.

Measurable Objective 3:

Increase the percentage of IEP students catching up in ELA from 0 as measured by the CRT in 2014 to 10% as measured by the state assessments.

COMPONENT II: Inquiry Process & Action Plan Design- Priority Need/Goal 2

Based on the CNA, identify all that apply:	<input checked="" type="checkbox"/> General Education	<input checked="" type="checkbox"/> FRL	<input checked="" type="checkbox"/> ELL	<input checked="" type="checkbox"/> IEP	<input type="checkbox"/> Other
---	---	---	---	---	--------------------------------

Priority Need/Goal 2:

Increase the percentage of students proficient in mathematics, thus decreasing the mathematic proficiency gaps between the district's highest performing subgroups and the lower performing ethnic/racial supergroups by 8 percent as measured by state assessments.

Root Causes:

Academic reasons were the causes for a decline in scores. In particular, these could be attributed to the lack of consistency in computation skills, algebraic problem solving in linear equations, application of mathematical problems, and utilizing proper order of operations in multi-step problems. Teacher could be the cause for academic decline attributed to a lack of consistency in education and instruction between and among grade levels in scaffolding mathematical knowledge.

Measurable Objective 1:

Increase the percentage of all FRL, IEP, and LEP subgroups catching up in math from 14% from 2014 CRT results to 24% as measured by state assessments.

Measurable Objective 2:

Increase the percentage of students participating in the ACT exam from 10% from 2014 reported results to 20%as measured by the NSPF.

COMPONENT III: Budget Plan

COORDINATION OF FUNDS TO SUPPORT THE PLAN WITH OTHER PROGRAMS: Provide the sources of funds your school is currently receiving and identify the purposes for which those funds are spent. Sources of funds may include General Budget, Title I , Title II, Title III, Migrant, Immigrant, Neglected & Delinquent, 21st Century After School Programs, Gear Up, IDEA, McKinney-Vento/Homeless, Head Start, state-funded Pre-Kindergarten, Teacher Incentive Fund, Striving Readers, and other state/federal funds.

Source of Funds applicable to Priority Need/Goal	Amount Received for this School Year	Purposes for which funds are used (include targeted audience, specific activities, intended outcomes, etc.)	Applicable Goal(s)
General Funding/DSA	\$5,954,000.00	Instruction, technology, materials, staffing, and general operations of the school	Goals 1 and 2
IDEA	\$120,586.00	Special education instruction, materials, and services	Goals 1 and 2
State Special Education	\$189,010.00	Special education instruction, technology, staffing, and services	Goals 1 and 2
Title I	37,050.00 + 370.50 parent involvement set-aside. These funds are shared between the MS and HS	Compass Learning credit retrieval software, Illuminate Software with Data Progress/early problem identification Tracking for grades 6-12, Reading Plus Online supplementary Reading Comprehension for grades 6-12, Rule of Three - Supplemental Best Practices Interdisciplinary Academic Vocabulary Builder grades 6-12, Supplies to create flyers, brochures, and specific training materials for Parent Conference/Training	Goals 1 and 2
UP School Support	\$150,000 shared between all three school levels (ES, MS, HS)	ELL PD coach/mentor (\$21,000) -The ELL Professional Development Coach will work with the ELL staff to ensure they have the most effective strategies for teaching English as a Second Language.ELL Teaching Assistants - (\$60,000), Data analysis coach (\$21,000) who will be working part time as the data collector, analyzer, and disseminator of the interim assessments being conducted at the school. Student Literacy Coaches (\$48,000) will use the skills they are learning in the teacher education classes while getting a practical application of literacy and testing skills in the educational setting.	Goals 1 and 2

COMPONENT IV: REQUIRED ELEMENTS FOR TITLE I SCHOOLS:

Title I Schools operating a Schoolwide Program must complete Items 1 through 5 on this page.

1. Describe the school's strategies to attract effective, highly-qualified teachers to your school.

The school will continue to utilize various forms of advertisement when recruiting new teachers for positions that are open. In so doing, teacher licensure and HQ status will be looked at. Selection of HQ teachers will be made as much as possible to fill open positions. The school will also work with the local universities and the Nevada Department of Education to seek out HQ teachers in an effort to give the students the best education possible and to meet Title I requirements.

2. Describe the school's strategies to increase family engagement in accordance with Section 1118 of NCLB (see resource link), such as family literacy services and the provision to parents on how the school will share academic information in a language they understand.

The school will host a Parent as Learning Partners Conference to assist parents with issues pertinent to educating their children. The school will send home parent newsletters that provide strategies to help prepare children for testing, academic information in English and Spanish, and host parent evenings to show how to help their children with homework. The school will create a new website built with an instant translator so parents can read it in their natural languages.

3. Describe the school's plans for transition and articulation between school programs (ie: assisting preschool children from early childhood programs such as Head Start, Even Start, or a state-run preschool program to elementary school, elementary school to middle school, and middle to high school, etc.).

Students moving from ES to MS and from MS to HS will meet new teachers, experience classes at the next level, and work with teachers on new expectations. Students will also have the chance to speak with the counselors to help develop skills for credit achievement, testing expectations, and prepare transcripts in preparation for the next level of education. A Newcomers Class will prepare kindergartners for the new school year. Kinder students will attend 1st grade reading classes in the spring.

4. Identify the measures that include teachers in decisions regarding the use of academic assessments.

Grade level chairs have the opportunity to work with administration on decisions regarding the use of academic assessments. All of these are again discussed on professional development days as a school-wide plan comes together. We have grade level meetings, RTI meetings, and professional development to plan and modify instruction. Academic assessments must be aligned with CRTs and common core standards is always a first thought at school.

5. Provide assurance that federal, state, and local services are coordinated and integrated into the school improvement efforts

IICSN follows the procedures set forth by the state, local, and federal services for coordinating and integrating the school improvement efforts. Plans are completed, filed, and followed each year in conjunction with state and district standards, meeting all obligations necessary for Title I status.

APPENDIX A - Professional Development Plan

1.1

High school teachers will receive professional development in reading comprehension and academic vocabulary development skills. They will receive directed instruction in utilizing informational and fictional materials to draw extensive passage understanding of materials from content subjects. The ELL PD Coach/Mentor will work with the teachers on strategies in the instructional classroom for engaging the ELL students. The data Analysis Coach will collect, analyze, and report interim assessment data to support instruction.

Goal 1 Additional PD Action Step (Optional)

2.1

Teachers and the counselor at the high school will receive professional development to increase proficiency in algebraic problem solving skills. They will receive directed instruction in algebraic problem solving strategies, application of skills, and in computational strategies. The ELL PD Coach/Mentor will work with the teachers on strategies in the instructional classroom for engaging the ELL students. The data analysis coach will provide assessment results to assist teachers with planning instruction.

Goal 2 Additional PD Action Step (Optional)

3.1

Not required

Goal 3 Additional PD Action Step (Optional)

APPENDIX B - Family Engagement Plan

1.2

Parents of students in the high school will be offered evening instructional classes and parent conferences on assisting the understanding of graduation requirements, advanced testing needs, and tutorials necessary to promote graduation and college readiness. The ELL PD Coach/Mentor will work with the teachers on strategies that parents can use for engaging the ELL students in the home. The data analysis coach will provide assessment results to share with parents.

Goal 1 Additional Family Engagement Action Step (Optional)

2.2

Parents of students in the high school will be offered evening instructional classes and parent conferences on assisting the understanding of graduation requirements, advanced testing needs, and tutorials necessary to promote graduation and college readiness. The ELL PD Coach/Mentor will work with the teachers on strategies that parents can use for engaging the ELL students in the home. The data analysis coach will provide assessment results to share with parents.

Goal 2 Additional Family Engagement Action Step (Optional)

3.2

Not required

Goal 3 Additional Family Engagement Action Step (Optional)

APPENDIX C - Monitoring/Evaluation

Priority Need/Goal 1

Priority Need/Goal 1:

Increase the percentage of students proficient in reading, thus decreasing the reading proficiency gaps between the district's highest performing subgroups and lower performing ethnic/racial supergroups by 8 percent as measured by state assessments.

Measurable Objective(s):

- Increase the percentage of LEP students catching up in ELA from 0 as measured by the CRT in 2014 to 10% as measured by the state assessments.
- Increase the percentage of FRL students catching up in ELA from 27.0 as measured by the CRT in 2014 to 37% as measured by the state assessments.
- Increase the percentage of IEP students catching up in ELA from 0 as measured by the CRT in 2014 to 10% as measured by the state assessments.
